

## Curriculum Vitae (CV)

Name: Nihad Khalaf Ali

Date and place of birth: 30/12/1963

General specialty: Solid State Physics

Specialization: Thin Films

The scientific title: Associate Prof,

Affiliation: Al-Karkh University of Science, College of Science,  
Department of Medical Physics.

Mobile No: 07500865368

Email: nihad@kus.edu.iq

Google Scholar website: <https://scholar.google.com/citations?user=pFFwJEQAAAAJ&hl=en>

ORCID ID: 0000-0002-2320-1214

### First: Academic Qualifications.

Academic Degree	University	College	Date
B.Sc	Al-Mustansriah (Iraq)	Science	1986
M.Sc	University Sains Malaysia (USM), Malaysia	College of Physics	2004
Ph.D.	University Sains Malaysia (USM), Malaysia	College of Physics	2009

### Second: Professional Experience

No.	Entity (institute/college)	University	Duration
1-	Post-Doctoral, Nanotechnology and Optoelectronics Lab	University Sains Malaysia, Malaysia	1 Year (2009-2010)
2-	Senior Lecturer, Faculty of Electrical Engineering	University Technology Malaysia (UTM), Malaysia	4 Years (2010-2014)
3-	College of Science	Al-Karkh University of Science	2016-Present

### **Third: Teaching Experience**

<b>No.</b>	<b>Department</b>	<b>Subject</b>	<b>Year</b>
<b>1-</b>	Faculty of Electrical Engineering, University Technology Malaysia (UTM), Malaysia	Electronic Devices	2010-2014
<b>2-</b>	Faculty of Electrical Engineering, University Technology Malaysia (UTM), Malaysia	Microelectronic I	2010-2014
<b>3-</b>	Medical Physics Department, College of Science, Al-Karkh University of Science	General Physics, Electricity, Magnetism, Physics of Medical Instruments	2016- Present
